

Capabilities Statement

TMC Workforce Solutions is a nationwide permanent and temporary employment agency providing expert employment solutions to Business and Individuals across the nation. With years of experience as a prime and sub-contractor, TMC understands the criticalness of filling positions quickly to reduce the cost of lost productivity and potential overtime. At TMC we go beyond job boards through internet recruiting, relationship building through social media, incentive / referral programs, community networks, relevant networking events and redeployment.

Our Commitment:

TMC Workforce Solutions will not compromise our high standards for quality and strive to deliver the most qualified candidates to meet the client request.

Core Competencies:

- Permanent-Direct Hire placements.
- Short to long term (1 year) temporary candidates.
- Light industrial labor (Warehouse), clerical, reception and administrative professionals.
- Background checks, employment and educational verification and references.
- Last minute candidates for temporary positions and direct hire interviews.
- Payrolled employees.

Differentiators:

Our mission is to find qualified talent to fill job vacancies in a timely and cost effective manner. We will find top notch, experienced and loyal permanent and temporary career seekers. TMC Workforce Solutions adheres to the highest industry standards and professional ethics. Our mission is to provide integrity, quality and professionalism to the permanent, temporary and contract recruiting employment industry by finding outstanding talent for businesses throughout the United States.
