EQUIPMENT

A full-page background image with a blue tint. It shows a construction worker from the waist down, wearing blue work pants with orange reflective stripes and black safety boots. The worker is holding a long-handled broom with a wooden head and is sweeping a dirt or gravel surface. In the bottom left corner, the handle and metal head of a shovel are visible. The word "EQUIPMENT" is overlaid in large, white, bold, sans-serif capital letters in the upper left quadrant.

SUPPLIES

The background of the page is a close-up photograph of numerous clear plastic bottles with blue screw caps. The bottles are arranged in a somewhat haphazard manner, with some in sharp focus in the foreground and others blurred in the background. The entire image is overlaid with a semi-transparent blue filter, which makes the colors appear more monochromatic and gives it a professional, clean look. The word "SUPPLIES" is printed in a bold, white, sans-serif font, centered horizontally and positioned in the upper third of the image.
